LONDON

WHAT I LIKED?

I liked (very much) old and modern buildings especially the ambience, because there were so many different kinds of people.

WHAT I DIDN'T LIKE?

It was too chaotic, people weren't much friendly and so crazy!!!

WHAT I SAW?

At first we saw Tower Bridge and Tower of London but we didn't enter in it. Then we went to the Houses of Parliament, we saw Big Ben, London Eye and we went at number 10, Downing Street (where the Prime Minister lives). Then we saw Westminster Cathedral, Buckingham Palace and at the end we went to Eden Garden.

WHAT I ATE AND DRANK?

We ate at McDonald and we went to

CASINO
